Fasting Tips:

#1 Make time in your schedule to spend with God in prayer and in your bible daily.

#2 Drink a lot of water. Water will keep you feeling full and will also help speed up the detoxification process.

#3 Try not to break your fast. Remember the Daniel Fast is only for 21 days. It will soon be over and you can go back to eating the foods you are used to eating once you have completed your fast.

#4 Consult with your primary care physician before attempting a fast.
